CIRCUIT COURT.-JUDGE CALDWELL PRESIDING,—Circuit Court met yester-day morning at 8 o'clock,

Otto E. Nægelie was naturalized. Beverly M. Eoff was appointed ad-

bill of Constable John W. Schultz against the State, of \$58, for taking a lunatic to the Weston Asylum, was al-

day was of F. A. Gasmier, by his next.

It will be finished at once. Part of the building will be used as a silversmith Drakeley. The plaintiff, a boy of seven years of age, sued for damages for injuries sustained by him in falling into an opening on a public road made by the proprietors of the Washington Iron Mills in Ritchietown. The opening was made for a counterbalance attached to a shaft for pumping water for the mills. The case was tried at the last term of the Court, when a verdict was returned by the jury for \$5,000 damages for the plaintiff. That verdict was et aside by the Court, it being of the opinion that the sum awarded was exessive. Upon the new trial had yesterday damages were awarded to the plaintiff in the sum of \$5,000. The following named cases are set for

trial to-day: Patrick Moran us. John Magaain; Valentine Geise vs. Adam Dodson; Joseph Britt, Jr., vs. Isane Cotts. Court meets this morning at 9 o'clock.

A VOLUNTEER MILITARY COMPANY. —We have heard it proposed by several of the young gentlemen in the city to form a volunteer military company best of boots, shoes and gaiters can be here. We think the idea a good one, and hope it will be carried out. Before the war, when military was not a part of our daily talk and observation, we had three companies of the kind referred to here, and now, when every citizen is more or less military, we have not one company. We hope those who feel enough interest in the matter will be active enough to go to work. We believe a company here would take finely. Our city is full of young men who served in the army, and any numwho served in the army, and any number of excellent, experienced drill mas-ters could be procured. Besides this a first rate, cheap, neat uniform, the reg-ulation blue, could readily be obtained. We hope a meeting will be called and a

portunity to keep up their militay as-sociations and drill. Form the com-pany, gentlemen, by all means. THE MEANEST TRICK YET.—We have M'CLELLAN & KNOX heard of some mean tricks in our daysuch as pulling up green corn—puloining the cents off of a deceased African's eyes—stealing a blind man's pet mice—and several others of that sort, but we think the climax of meaness was reached on election day in Ritchietown. We are credibly informed that a prominent member of the copperhead party actual-ly took to the polls a poor simple boy, who lives in that township, and tried to who lives in that township, and tried to get in his vote, but was promptly checked by a Union man. We have no doubt if the poor fellow referred to had been allowed by law a vote he would have allowed by law a vote he would have naturally given it to the copperhead

kind. Old soldiers, we think, would willingly avail themselves of this op-

AN AFFECTING SIGHT.-During the trial yesterday of the suit of F. A. Gas mierw. Henry W. Drakely, a most affecting sight was presented. The plaintiff, who was in Court, is a lad of about ten years of age, of bright, prepossessing countenance. In the accident which he met with he lost his left leg, and his right was disabled for life. He was accompanied in Court by his

AN OLD CRY PLAYED OUT,-Hereto-fore during the war it has invariably been the custom of the copperheads in our city to prate, about election times, of military interference at the polls, and many Union triumphs at elections were ascribed by them to the presence at the polls of "Federal bayonets."-Will they be so kind as to inform us to what they attribute the Union success here on Thursday last, when there were not in the city over two dozen soldiers, and none of those on duty about town?

MARKET YESTERDAY EVENING,-Our 2d Ward market house was never more crowded than yesterday evening. Although the weather was bad, "every body and his wife and children" were out. The prices for staples were as follows; butter, 40 cents per pound; eggs, 30 cents per dozen; chickens, 40 cents per piece; sweet potatoes, 75 cents per peck; Irish potatoes, 35 cents per peck; onious, 5 cents per bunch; turnips, 30 cents per peck; cabbage, 8 to 10 cents per head; apples, 50 cents per peck; corn, 20 cents per dozen.
